

# GROWTH GROUP DISCUSSION

## CONNECT

Come up with a word that you think sounds beautiful.

## LEARN & APPLY

Read James 2:14-26.

- Is faith enough?
- What should faith produce in our lives?

Read Genesis 1:26-27.

- What does it mean for us to be wholistic beings?
- How do negative comments impact how God created us?

## PRAY

Lord, you have made us beautiful. Help us to love each other and care for each other, especially those feeling lonely and isolated. Guide our tongues and help us speak life, like you speak life.
