LEARN & APPLY

Pentecost reminds us the Good News of Jesus is meant for all the world!
Where do you see God at work today?

Read Acts 1:1-14

- What Jesus asked of his disciples was to wait (1:4) and receive (1:8). Verse 14 shows partly what that waiting time looked like.
- As you wait for what God will bring next, in your life, what helps you to receive what the Lord is showing you?

Read Acts 2 (whole chapter).

- Why do you think God chose to have his disciples speak this message in the language of all those gathered? What message was he sending?
- How might God use you to show those in your life that his message of saving love, grace and hope is also for them? How might your life be a living translation of his love for someone?

PRAY

Holy Spirit, as you moved on the day of Pentecost move today in us. Help us to wait on you, to receive what you want to give us, and then to move with you to bless the world in Jesus' name. Show us the purpose you have for us in this time and help us to shine your light in a dark world. In Jesus' name we pray, Amen.
