CONNECT

Have you ever said "I can't" (and believed it) and later found out you were capable of more than you thought? What got you there?

LEARN & APPLY

Read Exodus 3:1-7, 10-15.

- Why do you think God used the 'non-burning bush' to call Moses? What would that say to you?
- Moses has a lot of questions. What is he really asking in verse 11? What does God mean by his answer in verse 12?
- The local people worshiped gods of wood, water, fire, stone, and location, so Moses asks God his name (which one are you?). What do you think God's answer in verse 14 conveys to us?

Read Exodus 3:16-22. This is what Moses is being called to do in cooperation with God's power.

- Moses' question is Exodus 4:1. God's answer is 4:2-9. What is God teaching here?

Read Exodus 4:10. Here is Moses' third objection. What is God's answer to this objection in Exodus 4:11-12?

- If God is saying to Moses "trust me," what is Moses' answer in Exodus 4:13? Have you ever answered God this way?
- What have you learned about God in this study?

Read Exodus 4:14-17. In the end Moses is only asked to do two things. What are they? (Spoiler alert! He ends up doing a whole lot more!) Do you think God ever starts you with baby steps? What helps your trust in him to grow?

PRAY

God, where are you calling me to grow past my "I can't" in the power of the great "I AM?"
