When did you first come to know Jesus? Do you experience him as both Lord and Savior?

## LEARN & APPLY

**Read 1 Kings 17 7-16.** Elijah trusted the Lord for his every day needs. The Lord is not only the Creator and King of the universe. The Lord is also our friend and provider. The Lord is the Good Shepherd who walked with Elijah through the valleys of life, and over the mountains as well.

- Have you experienced the Lord as your friend, provider and protector?
- In what ways have you seen Him work in your personal life?
- Ask the Lord to be the light unto your path every day.

**Read 1 Kings 18:22-39.** Elijah trusted the Lord to be his Creator, King of Kings, Almighty and all powerful God. Our Lord has the power to miraculously save us from our sins, through Jesus Christ. Elijah trusted God's word to him that God would deliver him and give him victory over Baal and the false prophets.

- Have you seen God miraculously heal illness, sickness, and deliver us from the evil one?
- Have you experienced the peace of God that passes all human understanding, when you have come to Him in prayer, in the face of anxiety, worry, depression, discouragement?
- Ask the Lord to increase your faith, to be the size of a mustard seed, so as to move the mountains in our lives.
