Using the description in verse one, give an example of faith at work in your life.

Of the many people of faith mentioned in these verses, which one do you most closely resemble. Why?

In what way does looking back on your own life help you to persevere as you go forward in life?

What is God saying to you? How will you respond?

PRAY

Lord, you know us perfectly and love us completely. You are the one who has started us on our journey of faith and you are the one who will bring it to perfect completion. Help us to pass along this gift of faith to those who will come behind us so that they may come to trust you as their Savior and follow you as their Lord. Amen.
