

Follow the instructions below to download the church app to your iPhone or iPad:

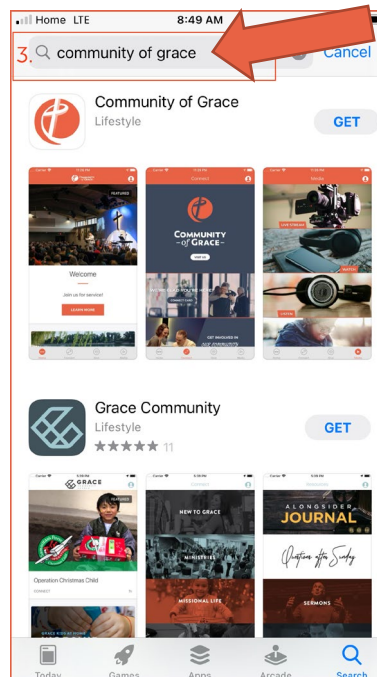

1. Go to the Apple Store App:

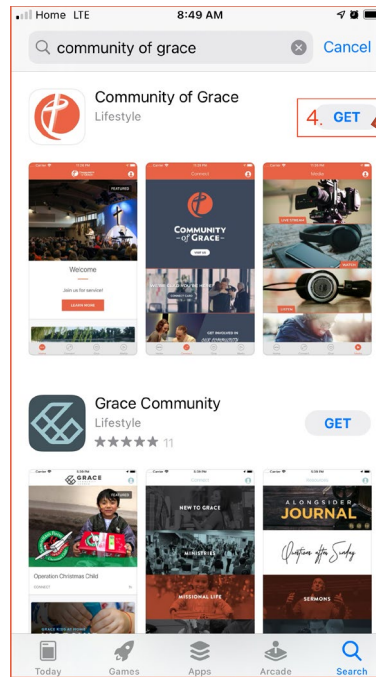

2. Tap **Search** at the bottom:

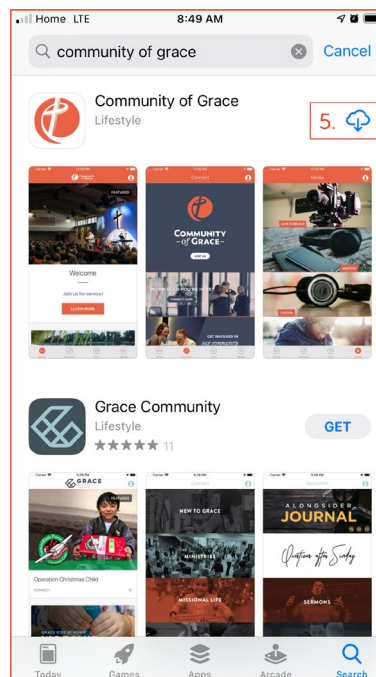

3. Enter Community of Grace. The orange CGLC icon should show up and you'll know you're at the right place:

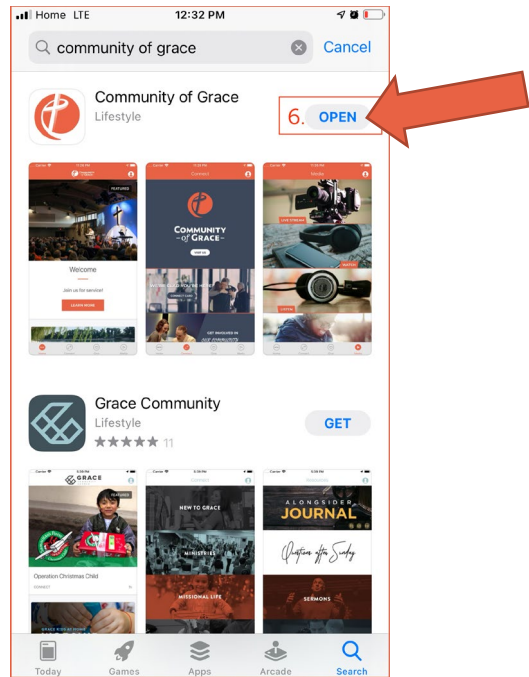

4. Tap GET (next to the CGLC app):

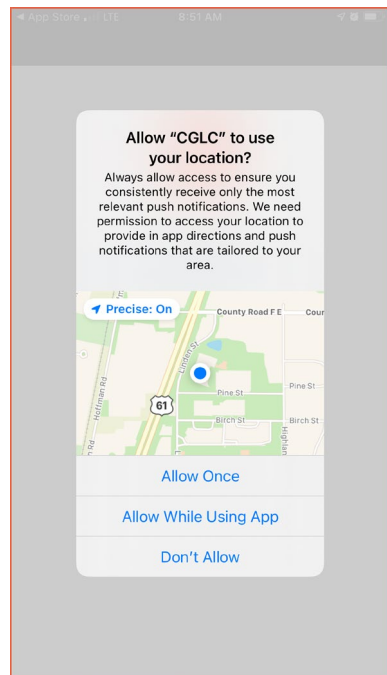

5. Tap the INSTALL icon:

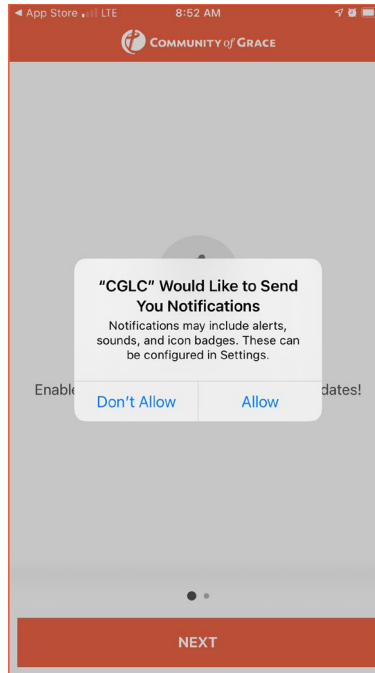

6. Tap Open:

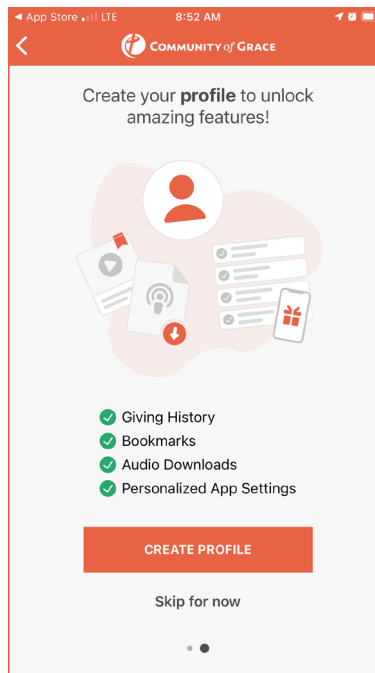

7. Select your preference to allow CGLC to use your location.

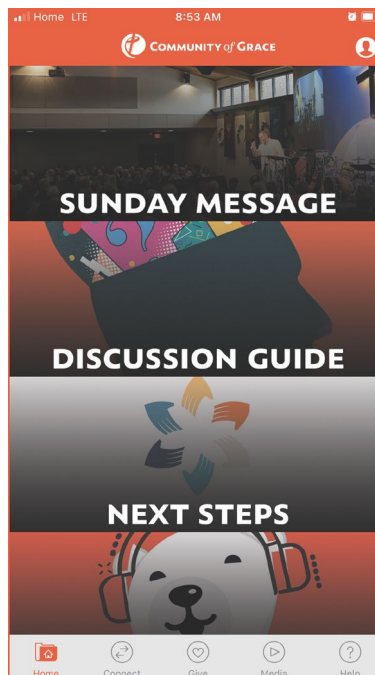

8. Select your push notifications preference.

9. Create your profile, this will pull your information in from your myCG profile.

10. If you see this Home page, your installation is complete!

If you are having difficulty at any time, contact the church information desk at 651-429-5349 and someone will help you troubleshoot.
